INTRODUCTION

For those who love the Val d'Orcia it cannot get better than this; beautifully restored traditional farmhouse with incredible views stretching from Montalcino to San Quirico d'Orcia, Castiglione d'Orcia, Abbadia and Radicofani, a pretty garden and with horse riding and a restaurant within walking distance, with peace and tranquility yet not completely isolated, this is a rare find in one of Tuscany most popular areas.

Completely restored between 2014 and 2016 and with recent works done to improve both the plumbing and sewer systems and the outside living areas the property is turn-key and ready to enjoy. Optimum rental potential.

On ground floor we find a large eat in kitchen, store room, entrance hall, dining room, large reception room, games room, cloakroom and wood oven; whilst on the first Floor there 4 large bedrooms with en suite bathrooms.
